PITTSBURGH AREA AUTO DEALERS GIVE BACK TO THEIR COMMUNITIES

In partnership with The **Greater Pittsburgh Automobile Dealers Foundation**, and as a thank you for their volunteer service on the **Greater Pittsburgh Automobile Dealers Association's Board of Directors**, each valued board member was recently provided the opportunity to make a charitable donation in their name, to the charity or organization of his or her choice.

"Our board members put in countless hours of service to the GPADA, and we greatly appreciate their guidance and support. We felt this was an appropriate way to thank them, while allowing them to further give back to their communities at the same time," says GPADA Executive Vice President/CEO Denise Brennan.

"In these challenging times, it's heartwarming to see the faces of charity organizers light up as their local automobile dealer presents them with a check to further help them in their mission of service. This is a program I hope we're able to continue far into the future," says Brennan.

We are proud to recognize the following GPADA board members and the charitable organizations of their choice....
